### About Us

The event is organised under the EURECA project, which is an EU Commission H2020 funded initiative. EURECA is designed to provide support for EU public sector organisations to engage in innovation procurement for environmentally sound data centre products and services.

### Registration

To register, please follow this link:

<https://www.dceureca.eu/workshop/registration>

The event is free to attend and registration is on a first come, first served basis (due to space constraints).

### Date

Tuesday 9<sup>th</sup> and Wednesday 10<sup>th</sup> May 2017

### Venue

The Foundry Lounge in  
Barcelona, Spain.  
Plaça Reial 18, 2<sup>o</sup>, 2<sup>a</sup>  
Barcelona, Spain.

For directions, please check:

<http://www.gofoundry.com>

### Continuous Professional Development

Attendees who register and attend both days (including four EURECA training sessions) will receive an official EURECA training certificate after the event.

# The 9th EURECA Workshop in Barcelona

Tuesday 9<sup>th</sup> and Wednesday 10<sup>th</sup>  
May 2017 at The Foundry  
Lounge

The event brings together key European experts and thought leaders to discuss innovation in public sector digital infrastructure. Innovation procurement, data centre energy efficiency, and sustainability are among the topics discussed. The event is suitable for C level IT executives, ICT managers, policy makers, energy managers, data centre managers, and procurement professionals.

Additionally, registered attendees who complete the two days, and attend four EURECA training sessions will receive an official EURECA CPD training certificate.
