Junior Competitive Projects Developer

IREC is looking for a Proposal Developer in competitive programs. The professional will be integrated within the IREC's Corporate Development and Knowledge & Technology Transfer team taking responsibilities in competitive projects and public funding research programs at European (primarily Horizon Europe), National and Catalan level.

In particular, tasks include:

- Proposal preparation/writing including scouting, promotion, administrative support and writing of public competitive projects mainly of the future Horizon Europe calls.
- Engagement in associations and platforms at local, national and international levels to strengthen IREC position

The professional ideally would be skilled and have experience in scouting, promotion, preparation and writing of public funding programs. Capacity to work in a team, flexible, goals oriented, innovative, with initiative and problem solving skills would be valuable. High level of writing, communication and negotiation skills are mandatory.

Requirements:

Essential:

- University Degree in Science, Technology, Engineering or related
- Knowledge of energy technologies and sector
- Experience in promotion and preparation of competitive proposals at European and national level
- High proficiency of English and Spanish languages
- High proficiency in MS Office tools, especially Excel and Project

Advantageous:

- Experience at research or technology centers
- Knowledge of European funding schemes & Spanish and Catalan research funding programs
- Experience in research-industry collaboration

- Proven knowledge of the European and/or national industrial energy sector and related associations/platforms
- Proficiency of Catalan language

Personal Skills:

- Self-motivated and open-minded
- Good communication skills
- Team Worker.
- Results-oriented.
- Analytical and synthesis capabilities.

Salary:

Salaries will be paid in accordance with the IREC's salary policy, depending on the candidate's qualification and professional experience.

Send applications by email directly to ktt@irec.cat indicating Junior Competitive Proposal Developer (**Ref. 41/2022**) in the subject including:

- Curriculum vitae with personal, academic and professional data.
- A motivation letter with reasons for applying, relevant experience, qualifications and value proposition related to the vacancy

Deadline for applications: 15 June 2022

This position will be funded under the project "Europa Redes y Gestores – Europa Centros Tecnológicos" ECT2020-000704, from the Programa Estatal de Generación de Conocimiento y Fortalecimiento Científico y Tecnológico.
