Knowledge and Technology Transfer Officer

JOB DESCRIPTION

IREC is looking for an Interim Knowledge and Technology Transfer Officer to fill the job for the duration of the selection process for its permanent appointment, in accordance with the regulations of the public sector. The professional will be responsible for technology transfer and valorization activities within the IREC's Corporate Development and Knowledge & Technology Transfer team. In particular, tasks will include technology transfer activities, project management, technology scouting and valorization strategies and follow-up of the institution IP portfolio.

This professional must be highly skilled in KTT activities, project management and must have a deep knowledge of energy related technologies and sector. Capacity to work in a team, flexible, service oriented with initiative and problem-solving skills would be valuable. High level of communication and negotiation skills are mandatory.

Requirements:

Essential:

- University Degree in Science, Engineering or Technology
- PhD in Energy related fields (renewable energy, energy efficiency)
- Proven experience in valorization and technology transfer activities.
- Background and proven experience in project management, in particular, R&D&I networks with a strong focus in technology transfer
- Professional experience at industry and research centers
- High proficiency in English language
- High proficiency in MS Office tools, especially Excel and Project, and ERP tools (SAP)

Advantageous:

- Knowledge and/or experience with IP evaluation and management tools
- Knowledge and/or experience on renewable energies, smart grids, energy efficiency and energy sector
- Experience in defining technology transfer programs, marketing, strategy, negotiation with partners/clients

Personal Skills:

- Self-motivated and open-minded
- Good communication skills
- Team Worker.
- Results-oriented.
- Analytical and synthesis capabilities.
- Negotiation skills

Salary:

Salaries will be paid in accordance with the IREC's salary policy, depending on the candidate's qualification and professional experience.

Send applications by email directly to ktt@irec.cat indicate Knowledge and Technology Transfer Officer (2022/100) in the subject including:

- A motivation letter with reasons for applying, relevant experience, qualifications and value proposition related to the vacancy
- Curriculum vitae with personal, academic and professional data.

Deadline for applications: 14 December 2022
