

## **PROVISIONAL RESOLUTION OF PROPOSALS**

### **Resolution related to the Manifestation for Floating Marine Energies**

In accordance with good governance and best practices, in this section, IREC will publish the provisional resolution issued by the PLEMCAT Commission of IREC with the provisional classification obtained for the received actions or proposals.

This provisional resolution issued by the PLEMCAT Commission of IREC with the final classification will be subject to compliance and validation of the administrative and financial requirements required for the classified interested parties' actions or proposals, as well as the obtaining of subsidies from the Subprogram 1 of the mentioned call dedicated to R&D&I platforms, the support of the Generalitat de Catalunya, as well as the firm obtaining of all necessary corresponding administrative authorizations.

### **Appeal against the resolution to the Manifestation for Floating Marine Energies**

Against the provisional resolution issued by the PLEMCAT Commission of IREC, an appeal may be lodged within a maximum period of 7 calendar days from the day following its publication (on 17th March 2023).

The PLEMCAT Commission of IREC will issue and notify the decision of the appeal, which will be duly justified, through the website <https://www.irec.cat/research/strategic-initiatives/plemcat/> within a maximum period of 3 working days, counted from the day following the deadline for filing the application.
